

ZEPHIRIN'S

Brand & Design Guide — *colour, type & scale.*

Zephirin's Bakery · Barbados · est. 1923 · "As fresh as the morning sunrise"

01 — COLOUR

The palette

Modern and energetic: a warm white base with near-black ink for text, led by a bold sunrise orange and a hint of golden yellow. No old-fashioned browns — only clean, confident heat.

02 — TYPEFACE

Type families

A single clean, neutral grotesque does the heavy lifting, paired with a monospace for technical detail. Two families, used with discipline.

PRINCIPLES

- ✦ Orange leads; yellow is a hint, never a flood.
- ✦ White space and big type carry the energy.
- ✦ Mono for facts; grotesque for voice.
